CORRIGENDUM

The authors wish to make the following corrections to the published article.

Description of Error

In the above-mentioned article, the authors noticed that six references included in the reference list were not directly relevant to the subject of the review article; so the authors wish to remove and update the reference list accordingly. The removal of these references does not affect the scientific interpretation or conclusions of the article. The references to be removed are given below.

Correction to the reference list/citations

The incorrect citations/references are as follows: Malik and Iqbal, 2011; Mehmood *et al.*, 2012; Hassnain *et al.*, 2021; Jamil *et al.*, 2018; Laurenza *et al.*, 2022; Darwish *et al.*, 2022.
